

Path2College has awarded more than \$44,000 to Georgia Children through its Newborn Sweepstakes!

To encourage saving for children when they are very young, the **Georgia Path2College 529 Plan** sponsors an annual sweepstakes for families of Georgia newborns. Each year, a family is randomly chosen to receive a \$5,529 P2C account on behalf of their newborn. And the hospital where the baby was born also receives a \$1,529 award.
