2 Legal Entity Beneficial Ownership (For all Business Entities and IRC Section 501(c)(3) Organizations)

Legal Entity Beneficial Ownership Certification

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. In some cases, federal law also requires the Plan to verify and record information that identifies the natural persons who control and beneficially own a legal entity that opens an account.

This section **MUST** be completed by the person opening a new account on behalf of a legal entity. For the purpose of this section, a legal entity includes a corporation, a limited liability company, a general partnership, statutory trust, a nonprofit and any similar business entity formed in the United States.

When you open an account, we will ask for names, addresses, dates of birth, and other information that will allow the Plan to identify you and other natural persons associated with the account. This information will be verified to ensure the identity of all such natural persons.

For any non-U.S. citizens being named as a beneficial owner in Sub-section A or as a Control Person in Sub-section B, you must provide a non-expired government-issued document such as a passport showing a number and photograph.

This section requires you to provide the name, address, date of birth, and Social Security Number for the following individuals:

- Each individual, if any, who owns, directly or indirectly, 25% or more of the equity interest of the legal entity customer (e.g., each natural person that owns 25% or more of the shares of a corporation); AND
- An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, Vice President, or Treasurer).

Sub-section A - Beneficial Owner(s)

Check this box if there are no Beneficial Owners of this entity of 25% or greater. Nonprofits do not have to complete this sub-section. Please skip to sub-section B.

If no single individual owns 25% or more of this entity, do not complete the beneficial owner sections below. You must notify the Plan if or when an individual ever owns 25% or more of the entity.

Name and Title	Date of Birth (mm/dd/yyyy)	Address (residential or business street address)	Social Security Number

Sub-section B – Control Person

Please provide the following information for one individual with significant responsibility for managing the legal entity such as: An executive officer or senior manager (e.g., Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, Treasurer); or any other individual who regularly performs similar functions. If appropriate, an individual listed under sub-section A above may also be listed in sub-section B.

3 Authorized Representatives Required for all Entity Account Owners

An entity Account Owner must designate one or more authorized representative(s) to act on its behalf and each must have a Social Security Number or Taxpayer Identification Number. Up to two authorized representatives can be listed below and an additional page can be attached, if needed.

Check this box if the Control Person named in Sub-section B is also the Authorized Representative for the Entity named in Section 1. If so, the remaining portions of Section 3 may be left blank unless additional Authorized Representatives are to be named.
